

Jenn Swirtz (*Valorie*) is thrilled to be performing for the first time with Town Street in 'A Perfect Match'! Some of Ms. Swirtz's favorite credits are Gretchen in *Frankenstein*, Hermia in *A Midsummer Nights Dream*, Viola in *Twelfth Night* (thanks for the challenge & opportunity Brad), Caitlin in the west coast premiere of *The Storytelling Ability of a Boy*, & as Dr. Chumley in *Harvey*. You can catch her this spring on CBS's *The Inspectors*. Jenn is the left handed, middle child in her family. She was born in the midwest but raised everywhere. After having lived in Saudi Arabia, England, Azerbaijan, & 10 different states she is happy to call LA home.
